Community Group of the Year 2013

The spoken presentations will be followed by a Q and A session, with discussion after the lunch break in small groups and a final plenary session, followed by a period of worship.

This one day gathering will be a major opportunity to discuss how far our Quaker lives and leadings work to empower people of all sexual orientations and gender identities.

We welcome everybody to this gathering, including those who are not members of the QLGF Fellowship, non-Quakers, and people of any sexual orientation or gender identification.

We are mindful of the need for discretion and confidentiality, especially for people attending a gathering for the first time. The event will only be attended by people booking through QLGF. There will be a room for changing for those who wish and a gender-neutral WC.
