

# TRANS SUBSTANTIATIONS

HEARING THE THEOLOGY OF  
TRANSGENDER  
CHRISTIANS

**EDITED BY  
CHRISTINA BEARDSLEY  
AND MICHELLE O'BRIEN**

## MAY 2016

**M**uch has been said and written about Trans people by theologians and church leaders, but little has been heard from Trans Christians themselves. This book collects the theological reflections of the Sibyls, a major spirituality group for transgender people and their allies. It offers a comprehensive review of existing theological, cultural and scientific literature, together with people's experience of gender dissonance that involves negotiating the boundaries between one's identity and religious faith.

Rev Dr Christina Beardsley is an Anglican priest and hospital chaplain. Michelle O'Brien has collaborated with Christina on theology and aspects of sexuality for several years. Together they have published several papers.
