

THE SIBYLS

A Christian Spirituality and Support Group for Transgender People

www.sibyls.co.uk enquiries@sibyls.co.uk

The Sibyls is a UK-based confidential Christian spirituality and support group for transgender people, partners and supporters. It offers companionship along the journey, and information/advocacy to churches.

Sibyls seek to fulfil the two great commandments of Jesus: To love God and love one another. To achieve this we provide opportunities to meet in safe and friendly establishments. We promote the freedom to talk, to learn, to pray and to seek God's will. We also produce a regular newsletter and offer a listening service for members.

If you are having difficulties reconciling your faith with being transgender or are concerned about acceptance in your church then maybe Sibyls is what you have been looking for.

It could be that you just need to talk with fellow Christians who understand what it is to be transgendered, or simply wish to be yourself as you worship in fellowship and in a safe environment.

We also like to know of churches which welcome transgender people. Also if you would like more information to give to your church please do contact us.

We welcome new members, young and old. There is no membership fee or annual subscription, and no commitment, except confidentiality. Your details are held in total confidence and will not be given to any other members without your permission.

To contact us in confidence, either write to us or send us an email.
